# NYAPPA ANNUAL MEETING AND SUMMER CONFERENCE 2006

FOCUSING ON

OSHA RELATED TOPICS

NY FIRE PREVENTION AND  
CONTROL INSPECTION PROGRAMS

EPA REGION 2 UPDATE

ENVIRONMENTAL ISSUES IN  
SPORTS AND FACILITY PROJECTS

USING TECHNOLOGY TO  
AUTOMATE YOUR OPERATIONS

SUSTAINABLE FACILITIES MANAGEMENT

THURSDAY, JUNE 15, 2006

THE SHERATON SYRACUSE UNIVERSITY  
HOTEL & CONFERENCE CENTER  
SYRACUSE, NEW YORK

## The Program:

8:00 a.m. Registration and Welcome

8:40 a.m. “OSHA and the Campus Environment” Chris Adams, Syracuse Area Director for OSHA  
A discussion on the most common OSHA infractions on college campuses as they pertain to new construction, laboratory safety, workplace safety and training, as well as a review of the OSHA partnership with Colleges and Universities.

10:00 a.m. Break

10:15 a.m. “State Office of Fire Prevention and Control – Inspection Programs”  
Paul Martin, Deputy Chief, Fire Prevention Bureau, State of New York  
Update on the focus of the State Office of Fire Prevention and Control and a recap of its inspection programs. Chief Martin will discuss what the department is looking for during inspections and will explain the services his office has to offer Colleges and Universities.

11:45 a.m. Luncheon and NYAPPA Annual Meeting

1:15 p.m. “EPA Region 2 Update” Rebecca Corbin, Woodard & Curran  
Update on the six year old College and University Initiative and EPA Region 2’s focus on improving the environmental compliance status of education facilities and the EPA plan to conduct follow-up enforcement inspections at schools already inspected and compliance assistance inspections at schools that performed a self-audit and disclosed the results.

2:00 p.m. “Environmental Issues in Sports and Facility Projects” Anthony Catalano, Woodard & Curran  
The presentation will focus on the importance of the integration of environmental controls with the design and construction of athletic fields and the leveraging of technology to improve field construction monitoring efficiency.

2:45 p.m. Break

3:00 p.m. “Using Technology to Automate Your Operations” Bruce Nicholson, Woodard & Curran  
Electronic information management systems and tools can greatly assist in automating processes to support your operations. Examples of web-based and hand-held technologies will be demonstrated to illustrate how fire safety, inspections, refrigerant and fuel usage, emissions reporting and a variety of other processes can be automated to streamline reporting and management activities.

3:30 p.m. “Sustainable Facilities Management” Bruce Nicholson, Woodard & Curran  
This discussion will focus on energy conservation, waste minimization, greenhouse gas reduction, green building practices, and other sustainable initiatives that can be implemented by facilities departments. Specific examples from a variety of colleges and universities will be provided, including measures that result in significant cost savings.

4:00 p.m. Closing Remarks & Adjournment

## Seminar Fees:

\$99.00 per person. Registration must be received by June 12, 2006.

## Accommodations for Syracuse:

The Sheraton Syracuse University Hotel & Conference Center

## NYAPPA Golf Outing:

June 16, 2006, 8:15 a.m. Fee for golf, cart, and lunch: \$40.00

## Sponsored By NYAPPA

This seminar is sponsored by NYAPPA, the New York chapter of Higher Education Facilities Officers, which is part of an international organization (APPA). Our objectives are to provide an ongoing series of outstanding technical sessions for the campus design, construction and maintenance people of New York State’s public and private colleges and universities and to provide access to the latest information on the design and maintenance of campus infrastructure. For more information about NYAPPA visit our website: [www.nyappa.org](http://www.nyappa.org).
